We're Hiring Community Health Workers

Are you someone who is caring and compassionate? Are you someone who wants to make a difference in the lives of the clients we serve? Bayshore is looking to grow our team with talented employees just like you!

We are offering a paid on-the-job training program which will lead to full-time employment with Bayshore. No health care experience necessary. The Community Health Worker training program builds on the customer service experience you may have already gained by working in environments such as retail, hospitality or service industries. We are looking for positive people who enjoy looking after others.

For more information, please call **1-877-369-2114**
or send your resume to **chw@bayshore.ca**

Programs start monthly with limited seating available!
