

Are you passionate about children's mental health? Crossroads Children's Mental Health Centre (CCMHC) is an accredited charitable organization that has been providing specialized services to children under the age of 12 and their families since 1995.

Our Board follows a policy governance model that allows us to fulfill our obligation of accountability to our community without being involved in the day-to-day operations of this highly regarded center. As a team we focus on larger issues.

We are recruiting new members that are able to commit to monthly meetings, nine times a year. At this time, we are particularly interested in recruiting individuals with experience/expertise in:

- Mental Health
- Social Enterprise
- Government Relations
- Diversity, Equity and Inclusion
- Human Resources

CCMHC is an organization committed to equity, diversity and inclusion by building a Board of Directors and staff team that reflects the community we serve. We are committed to a diverse workforce and do not discriminate on the basis of race, religion, colour, national origin, gender, sexual orientation, age, marital status, or disability.

Interested candidates are invited to submit their resumé to the attention of Dr. Petra Duschner, Chair, Board Development at hr@crossroadschildren.ca.

Help for Children. Hope for Families.
