OTTAWA CANCER FOOT CARE CLINIC

We are excited to announce our new partnership with South-East Ottawa Community Health Centre!

Cancer treatments can produce side effects that impair foot health and, in turn, can reduce quality of life and even lead to interruption of treatment. A free foot care clinic is now offered at the Ottawa Community Cancer Hub.

1500 ALTA VISTA DRIVE
2ND & 4TH THURSDAY
OF EACH MONTH
12-4 PM

All costs are covered by the Ottawa Regional Cancer Foundation, thanks to the generosity of our donors

If the health of your feet has been impacted by cancer treatment, making safe foot care difficult, then this is for you.
