FOR IMMEDIATE RELEASE

Honoring 2021/2022 Guardian Angel Bernie Ouellet for his contributions
to the welfare of children and youth in our community
- When:** Saturday, June 18th 2022
Doors open at 5pm
- Where:** The Grand, 70 Harder Drive Belleville.
- About:** The Guardian Angel Gala is The Children's Foundation's main fundraiser for the year and raises money to help at risk children and youth within Hastings, Northumberland and Prince Edward County.

Without this gala TCF cannot send kids to camp, register them in sports or activities, or provide bursaries and scholarships for post-secondary education. These past few years have been particularly challenging for our at-risk children and youth and these children and youth need our support now more than ever!

Gala Chair Liz Lehtinen commented, "We are ecstatic to have our annual gala back this year after having to take last year off due to COVID-19. We can't wait to present this year's event in honor of Bernie Ouellet, a true community angel, in an all-new location to raise money for the children who need it most."
