

NATIONAL CAREGIVER DAY 2025:

We Care

Join us for a special virtual event in celebration of caregivers and National Caregiver Day. This year's theme, "We Care," celebrates the work of individuals who have made outstanding contributions to improving the lives of caregivers in Ontario.

At this event, we'll honour the invaluable contributions caregivers make to our communities and healthcare system, and present the inaugural **Janet Beed Impact Award**. We'll also share insights about caregiving and more on the work of The Ontario Caregiver Organization.

Whether you're a caregiver, healthcare provider, system leader, or simply someone interested in supporting caregivers, this event is for you. Don't miss the chance to connect, learn, and be inspired.

DATE

Tuesday, April 1st, 2025

TIME

12:00pm to 1:00pm ET
