

Alan P. Sentance Educational Lecture Series: **Tech Support:** A Look At Modern Applications and Social Media Platforms

Presented by OASIS

(Older Adults and Students for Intergenerational Support)

Wednesday, April 28th 2021

5 - 6 pm

Free Presentation Via Zoom

With technology growing rapidly and new apps constantly on the rise, we want to take an in-depth look at different online platforms, describing what they do, how to use them, and how to maintain online safety.

We will be looking at Spotify, Netflix, Facebook, TikTok and YouTube.

**This is a free online presentation and it is open
to all in the community
Attendance by Internet or by phone**
